TANK
A stunning new coin-op game from SNK now rumbles into view on your home computer screen. Top-down action as you negotiate miles of enemy infested jungle, swamps deserts Featuring river crossings, land mines, enemy infantry and the realistic feel of the mighty tank in action. Be there . . . take on the role of field commander, climb into your turret, start the and engines go . . . but remember in this "game" there is no turning back!
